

August 20, 21 & 22, 2026
Coimbatore, Tamil Nadu

 **Merlis Hotel, Coimbatore**

India's Largest
Decarbonization Event
for the **Built Environment**

ISHRAE'S FLAGSHIP DECARBONIZATION INITIATIVE

CoOL Conclave is ISHRAE's premier platform dedicated to accelerating decarbonization in the built environment and allied industries.. It brings together industry leaders to promote cleaner technologies, improve energy efficiency, and foster partnerships that enable scalable, low-carbon solutions - supporting India's journey towards its Net Zero 2070 commitment.

THEME OF 3RD EDITION AT
COIMBATORE, TAMIL NADU

CoOL Conclave 1.0 Edition at Jaipur and 2.0 Edition at Indore emerged as one of the largest ever **Carbon Neutral Event for the Built Environment.**

25+ Knowledge
Sessions

200+ Environmental
Stakeholders

150+ Decarbonization
Exhibitors

THE WAY FORWARD WITH FUTURE-DEFINING TOPICS

ESG & Climate Finance -
Investing in a Net Zero Future

Hospitality -
Responsible contributor to Net Zero & Carbon Neutrality

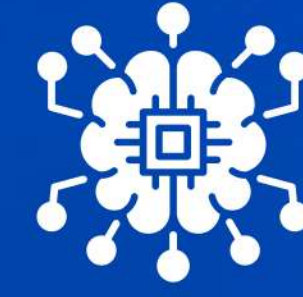

Tamil Nadu State Climate Change Policy Intervention

Future-Ready Cooling for IT & Mission-Critical Infrastructure

Data Centre -
Net Zero Energy & Water optimizing PUEs

Reinventing Cooling -
AI, Automation, and Service Models Driving the Future of Energy Optimization

Low-Carbon Cooling -
District Energy Meets Hydronic Efficiency

AI / ML / Automation -
Future Trends in Built Environment

Government Policy & Incentives -
Enabling Decarbonization at Scale

Decarbonization -
A Global Perspective

Sustainable Architecture & New Buildings -
Designing for Net Zero

MSME & Supply Chain -
Decarbonization Through Collaboration

Commercial Office Space -
Pathways to Sustainability

Equipment / System Retrofits, Service and Refrigerant Management -
Decarbonizing Existing Buildings

District Cooling Solutions -
International Perspective

DECARBONIZATION EXCELLENCE AWARDS 2026

4 Awards

Corporate
Excellence in
Decarbonization

2 Awards

Innovations in
Material &
Technology

4 Awards

Carbon Neutral
Awards

3 Awards

Individual
Contribution to
Decarbonization

3 Awards

Excellence
in Retrofit
